Tournament Rules & Regulations

Rules can be subject to changes leading up to the event if the Organizer deems necessary.
The Organizer asks all participants to check the rules & regulations prior to the event in order to avoid any confusion.
For any questions please contact the organizers by email at bleieur@leclub-golf.com or mgk@ugolf.eu

Conditions of Participation

1. Rules

- 1.1. The rules of reference are those of the *Royal & Ancient & the USGA*
- 1.2. Each team will need to meet the requirements of the Amateur Statute Rules.

2. For Team Members

2.1. Each national team consists of two team members who won the 1st place in their national qualification, or one player who finished first in the 1st category and one player who finished first in the 2nd category. In case one of the first players withdraws, LeClub Golf International (LCI) is granted the right to qualify another player who participated in the qualification tournament.

2.2. Each team member will need to be at least 18 years old or legal age in his country the day of the national final tournament.

2.3. Categories:

The categories will be mixed.

- The 1st category brings together male and female players with a handicap equal or under 14.9.
- The 2nd category brings together all players with a handicap equal or above 15.0

The category which will be considered will be the one which the players holds at the time of the national qualification final.

2.4. Handicap:

Each national promoter will have the responsibility of notifying LCI the qualified updated players' handicaps.

The decimals of the Handicap will be rounded as follows:

- 0,1-0,2-0,3-0,4 will be rounded to the lower whole number
- 0,5-0,6-0,7-0,8-0,9 will be rounded to the whole number above.

A player with handicap 26.0 or higher may attend but his/her hcp will be limited to 26.0.

Note: in case of non-eligibility, the player will be disqualified.

The handicap of each player will be updated after each stableford round.

A player scoring 3 down his handicap the first day will play with 3 handicap point less, the 2nd day.

A player scoring 3 up his handicap the first day, will play with 3 handicap point more, the 2nd day.

To calculate the scramble handicap, it will be considered the update handicap after the 2 first days of competition.

Game Format

3. Official tournament:

54 holes

1st & 2nd round: 18 holes / individual stableford

3rd round: 18 holes / two players scramble in stableford

The ranking is established by adding up the following scores of each national team:

- 1st & 2nd round: gross score + net score of each player
- 3rd round: gross score + net score

4. Guest & Media Tournament:

36 holes

1st & 2nd round: 18 holes / individual stableford

The ranking is made by adding up:

1st & 2nd round: gross score + net score

5. Shots Received:

The system used to calculate the shots received in Scramble in Stableford will be explained at the tournament presentation meeting before the start of the tournament.

6. Tiebreaker:

In the case of a tie, the tiebreaker will be done over the highest total of the hardest hole of the course (handicap 1), in the case of another tie, it will be done on the best total on the second hardest hole (handicap 2), then the 3rd hardest hole and so on... until the tie is broken.

7. Pace of play

Players could be penalized if they do not respect the pace of play.

Commitments

8. Entries must be submitted to the AGWC organization by the promoters of each national qualification tournament taking part in the AGWC. Entries are free of charge.

Recording

9. Every player will need to register at the tournament office the day before the tournament or two days before the 1st round, in the case they do not register they can be disqualified. Registration via phone-call will be accepted.
